BELTON WOMAN INDICTED FOR POSSESSION, INTENT TO DISTRIBUTE METH

KANSAS CITY, Mo. – Todd P. Graves, United States Attorney for the Western District of Missouri, announced that a Belton, Mo., woman was indicted by a federal grand jury today for possessing with intent to distribute methamphetamine.

Andrea L. Nixon, 31, of Belton, was charged in an indictment returned by a federal grand jury in Kansas City.

The federal indictment alleges that **Nixon** possessed with intent to distribute 50 grams or more of methamphetamine on Oct. 7, 2004.

Graves cautioned that the charge contained in the indictment is simply an accusation, and not evidence of guilt. Evidence supporting the charge must be presented to a federal trial jury, whose duty is to determine guilt or innocence.

This case is being prosecuted by Special Assistant U.S. Attorney Patrick J. O'Connor. The case was investigated by the Belton, Mo., Police Department and the Drug Enforcement Administration.
